Aug, 9th 2023

Hello

I'm excited to share that Panalux's Waxlow Road and Perivale locations will be moving into a new, shared, purpose-built facility in Hayes, West London. This new location will provide an improved experience with greater efficiencies for our customers, a cleaner footprint for our operations, easy accessibility within the West London production corridor, and space to grow well into the future. We plan to be fully operational in the new site in **Q1 2024**.

In the interim, we will be temporarily relocating our Perivale operations. Beginning 11th September, any invoices, correspondence, or deliveries that would have gone to our Perivale address will need to be directed as follows:

Panalux, 12 Waxlow Road, London, NW10 7NU

To contact our accounting departments, our existing contact information remains the same: -

Panalux: accounts@panalux.biz +44 (0) 20 8233 7000

There will be a follow-up communication in the coming months as we finalise the opening date for our new facility.

Thank you,
