**CONDITIONS**

1. **ACCEPTANCE OF AGREEMENT.** Seller agrees to perform the services and/or provide the items or service deliveries (collectively referred to as "Goods"), described in this purchase order ("Purchase Order"), in accordance with these terms and conditions ("Terms and Conditions"). Seller's acknowledgment of this Purchase Order, or any commencement of work on the Goods subject to this Purchase Order, or its identification of or shipment of such Goods shall constitute an effective acceptance of this Purchase Order. Any acceptance of this Purchase Order is limited to acceptance of express terms and conditions contained on the face (front) page hereof or incorporated herein. Any proposal for additional or different items, or any attempt by Seller to vary in any degree any of the terms of this offer in Seller's acknowledgment or acceptance is hereby objected to and rejected as an attempt to materially alter this offer, and this offer shall be deemed accepted by Seller without said additional or different terms. Purchaser may treat this offer as rejected by Seller if Seller's counter-offer varies the terms of the description, quality, price or delivery schedule of the Goods. If this Purchase Order shall be deemed an acceptance of a prior offer by Seller, such acceptance is limited to the express terms contained herein. This Writing does not constitute a firm offer within the meaning of Section 2205 of the California Commercial Code, and may be revoked by Purchaser at any time prior to acceptance by Seller.
2. **TERMINATION FOR CONVENIENCE OF PURCHASER.** Purchaser reserves the right to terminate this Purchase Order or any part hereof at its sole convenience at any time, without cause. Purchaser shall terminate by delivering to Seller a notice of termination ("Notice of Termination") specifying the extent of termination. In the event of such termination, Seller shall immediately stop all terminated work hereunder and shall immediately cause any of its suppliers or subcontractors to cease such work. Seller shall be paid as the sole compensation a reasonable termination charge consisting of a percentage of the Purchase Order price reflecting the percentage of the work performed prior to the notice of termination, plus actual direct costs resulting from termination which were not previously paid for by Purchaser. Seller shall not be paid for any work done after receipt of the Notice of Termination, or for any costs incurred by Seller's suppliers or subcontractors which Seller could reasonably have avoided, or for overhead, interest on claims, unamortized depreciation costs, general and administrative burden charges from this termination or anticipatory profits. If only part of the Purchase Order is terminated, Seller shall complete performance of the Purchase Order to the extent not terminated. Seller shall deliver to Purchaser, as specified by Purchaser, any Goods completed but not delivered as of the time of the Notice of Termination. Any payments made under this section will not exceed the aggregate price payable by Purchaser for finished Goods that would have been produced or performed by Seller under the applicable Purchase Order. Any amount due to Seller will be reduced by any amount owed to Purchaser by Seller under any applicable purchase order, contract or otherwise. Seller shall not deliver and Purchaser shall not make any payments to Seller for any undelivered Goods that are in Seller's standard inventory or are readily marketable, unless Purchaser so elects to the contrary in writing.
3. **TERMINATION FOR CAUSE.** Purchaser may also terminate this Purchase Order or any part hereof for cause in the event of any default by Seller, or if the Seller fails to comply with any of the terms and conditions of this offer, violates or is in violation of any applicable law, or if Seller files or has filed against it a petition for reorganization or liquidation under the Bankruptcy Code or any other insolvency law providing for the relief of debtors. Late deliveries, partial deliveries, deliveries of defective Goods or Goods which do not conform to this Purchase Order, and failure to provide Purchaser, upon request, with reasonable assurances of future performance shall all be causes allowing Purchaser to terminate this Purchase Order for cause. Purchaser shall terminate by delivering to Seller a written Notice of Default Termination specifying the extent of such termination. In the event of such termination, Purchaser shall be liable to Seller only for the contract price of completed goods delivered and accepted, in accordance with the terms of this Purchase Order. Purchaser shall not be liable to Seller for any other amount. If only part of the Purchase Order is terminated, Seller shall complete performance of the Purchase Order to the extent not terminated.

In the event of a failure of Seller to correct defects in or replace non-conforming Goods promptly, Purchaser, after reasonable notice to Seller, may make such corrections or replace such Goods and charge Seller for the cost incurred by Purchaser in doing so together with incidental and consequential damages resulting from the breach of this warranty. 4.2 The foregoing warranty shall extend for a period of two (2) years from the date of delivery to Purchaser or for the period provided in Seller's standard warranty covering the Goods, whichever is longer. If Seller fails to invoice within one hundred eighty (180) days after completion of services or delivery of items, Seller shall be deemed to have waived its rights to pursue Purchaser for the payments therefor, and Purchaser shall have no obligation to make any payments for such Goods. All claims for money due or to become due from Purchaser shall be subject to deduction or setoff by Purchaser by reason of any counterclaim of Purchaser arising out of this or any other transaction with Seller.
6. **CHANGES.** Purchaser shall have the right at any time before completion of the Goods under this Purchase Order to make changes in drawings, designs, specifications, materials, quantities, packaging, time and place of delivery and method of transportation. If any such changes cause any material increase or decrease in the cost, or the time required for the performance, equitable adjustments shall be made in the contract price or delivery schedule to the extent affected, and this Purchase Order shall be modified in writing accordingly. Seller shall not make changes unless requested to do so in writing by an authorized representative of Purchaser. Seller agrees to accept any changes, subject to the adjustments provided for in this paragraph. Seller must assert its right to an adjustment under this clause within ten (10) days from the date of receipt of the changes.
